

Signing Up for a Reading Challenge Using GoodReads and Mr. Linky

You found a reading challenge that you'd like to sign up for but you aren't a blogger; you review books on GoodReads. And there's this baffling Mr. Linky's Magical Widget box on the reading challenge signup page. What's a GoodReader to do?

1. Log in to GoodReads
2. Go to your profile

3. Copy the link in your search bar

4. Go to the reading challenge post at the host blog
5. Type your name in the Mister Linky box below the Sign Up heading.
6. Paste your GoodReads link in the “Your URL” box. Click the “Check to accept” box and click Enter.
