

# Sharing a GoodReads Book Review through Mr. Linky

You've signed up for a reading challenge, you've read your first book and reviewed it, and now you're ready to share it with the challenge host. You can do this!

1. Sign into GoodReads and click on My Books
2. Click on View on the far right beside the book you want to share (Circled in red below)

3. You should see your review in full. Copy the link from the search bar

4. Go to the reading challenge post at IntrovertedReader.com.
5. Type your name and the name of the book in the Review Links box.

**6. Paste your GoodReads link in the “Your URL” box. Click the “Check to accept” box and click Enter.**

**Review Links**

Please link directly to your review and not your blog home page. My suggested format is your name and/or the title of your blog and then the title of the book in parentheses.

Example: Jen @ Introverted Reader (*War and Peace*)

1. Emma @ Words And Peace (The Three-Body Problem)	7. On Black Sisters Street - Dutch (Maphead's Book Blog)	13. God and the Fascists - German (Maphead's Book Blog)
